# ABOUT US

Welcome to the Stratedge Training Centre, where we are dedicated to assist individuals and organizations in realizing their full potential through innovative and efficient training programs.

Our staff of qualified instructors is committed to offering top-notch training that is personalized to address the needs and objectives of each client. As a result, we collaborate closely with our clients to provide specialized training solutions that cater to their needs. We recognize that every person and every organization faces different difficulties and goals.

At Stratedge Training Centre, we think learning should be an enjoyable and stimulating process. Because of this, we employ several interactive and practical training methods to aid participants in learning and memory. From workshops and seminars to e-learning and coaching sessions, we provide a comprehensive selection of training programs that are geared to generate results.

We take great satisfaction in offering training programs that are relevant, beneficial, and immediately efficient for the business. Our instructors are skilled experts who have a thorough awareness of current business trends and best practices. They have a demonstrated track record of success in helping individuals and businesses achieve their goals.

We can assist you whether you want to increase the performance of your team or organization or want to develop your own skills and knowledge. Contact us today to learn more about our training programs and how we can help you reach your goals.

## OUR VISION

To continuously innovate and evolve our training programs to stay ahead of industry trends and emerging technologies along with promoting a culture of learning and development within organizations, helping people at all levels of an organization to reach their full potential. We aim to foster a culture of excellence and continuous improvement within our organization, attracting and retaining the best talent in the industry.

**EMPOWERING  
GROWTH,  
INSPIRING SUCCESS**

## OUR MISSION

At Stratedge Training Centre, our mission is to empower individuals and organizations to reach their full potential by providing innovative, high-quality training programs that inspire growth, learning, and development.

1. Collaborate closely with clients to understand their goals, challenges, and opportunities.
2. Utilize interactive and hands-on training techniques to promote engagement and retention
3. Employ experienced professionals with a deep understanding of industry trends and best practices.
4. Offer ongoing support and follow-up to ensure that training is effectively implemented and impactful.
5. Offer a wide range of training programs, including workshops, seminars, e-learning, and coaching sessions.
6. Provide training that is tailored to various levels within an organization, including executives, managers, and frontline employees..
7. Foster a culture of continuous learning and development within organizations. Emphasize the importance of diversity, equity, and inclusion in all training programs.

# TRAINING FORMATS

Training that Suits your Learning

## CLASSROOM COURSES

The Stratedge Classroom Training Courses is a meticulously curated in-depth list of professional topics which are helpful for your in-person training requirements. All these courses are tailored by the experts based on the current progression of the different types of industries.

## VIRTUAL TRAINING COURSES

The Stratedge Virtual Training Courses is a thorough researched list of professional training courses held online. Our team calibrated effective, interactive, and versatile training courses thus participants can remotely attend our top professional development opportunities.

## IN-HOUSE TRAINING SOLUTIONS

Our team has one mission, and that is to refine your professional career through our training courses.

For customers looking for a custom approach for training sessions, we offer bespoke solutions that enable you to attend trainings anywhere, anytime according to your preferences. Whether you want a hybrid online-in person model, knowledge based approach, or experiential method; we can design a customised approach within your budget to ensure you get what you are looking for.

# OUR TRAINING METHODOLOGY

Our training methodology is designed to deliver high-quality and engaging learning experiences that are tailored to the needs of our clients. Here are some bullet points that elaborate on our approach:

## **Needs assessment:**

We begin by conducting a thorough needs assessment to understand the unique challenges, opportunities, and goals of our clients. This allows us to design customized training programs that are tailored to their specific needs.

## **Customized training solutions:**

We develop training programs that are tailored to the unique needs and goals of our clients. Our training programs are designed to be flexible and scalable, so they can be adapted to meet the changing needs of our clients.

## **Interactive and hands-on learning:**

Our training programs utilize a variety of interactive and hands-on learning techniques to promote engagement and retention. We believe that active learning is the most effective way to learn, and we encourage participants to actively participate in the learning process.

## **Experienced trainers:**

Our trainers are experienced professionals with a deep understanding of industry trends and best practices. They are skilled at delivering training programs that are engaging, practical, and relevant.

Overall, our training method is designed to be flexible, engaging, and effective, delivering tangible results that help our clients achieve their strategic objectives.
